However i	n very limited	circumstances t	he employee may be
		two states at the	new location. This

would be true if the employee's state of residence at the new location and the state where the employee worked at the new location were different and both taxed the employee's RIT income - without either of these states allowing an adjustment or credit for this double taxation.

If either state allows an adjustment or credit for this double taxation, then the RIT allowance is based on the other state's tax rate -- otherwise, it is based on the sum of the tax rates for both states at the new location.

The above information is true and accurate to the best of my knowledge. I (we) agree to notify the appropriate DoD component official of any changes to the above (i.e., from amended tax returns, tax audits, etc.) so that appropriate adjustment to the RIT allowance can be made. The required supporting documents, including a signed and dated DD Form 1351-2 with 3 copies of my travel orders, and all claimed income W-2s, etc., are attached. Additional documentation will be furnished if requested.

I (We) further agree that if the 12 month services agreement required by the Joint Travel Regulation (JTR), Vol II, Paragraph C4001-A is violated, the total amount of the RIT allowance will become a debt due the U.S. Government.
